With regard to TRAVEL INSURANCE...

Israel Advantage Tours, Inc., believes that all passengers, should obtain travel insurance.

Currently, Israel entry protocol requires that each Participant purchase travel insurance with verifiable coverage for Covid-19 and/or its variants and includes coverage for a quarantine package.

Travel Insurance for individuals residing in the United States:

Please note that Israel Advantage Tours, Inc. does not sell travel insurance, but offers information on travel insurance as a convenience to Israel Advantage Tours, Inc. passengers per the link below. The information we offer is relevant to individuals residing in the United States and does not cover individuals residing outside of the United States. The link will direct you to **Travel Guard** programs and benefits, quotes, and any other information you may require. Follow the prompts and be sure to select “Israel” as the country you plan to visit. You may likewise call this tollfree number to speak with a representative, **1-866-385-4839**, to get more information on your travel insurance and be sure to provide the **Israel Advantage Tours, Inc. (IATI) Passenger Courtesy Code number 331783**.

Relevant to passengers considering travel insurance: The initial trip payment date is accepted as the date your initial deposit has been processed by our office. IATI passengers receive a notification via email when their initial deposit will be, or has been, processed, along with this information about travel insurance.

When coverage is purchased within 21 days of initial trip payment for this insurance plan, a pre-existing medical condition waiver may be available. To confirm all the terms and conditions, please call **1-866-385-4839** and provide the **Israel Advantage Tours, Inc. (IATI) Passenger Courtesy Code number 331783**. The representative will be happy to review your inquiries and furnish information accordingly.

For participants residing outside of the United States, please determine travel insurance companies and policies that cover you for verifiable coverage for Covid-19 and/or its variants and includes coverage for a quarantine package.
